# REC TEAM

## 2026–2027

# Welcome to the Family!

**“TEAL, BLACK, AND SILVER — WE ARE THE BEST!”**

The Dynamic Cheer programs offer a well-rounded and supportive environment. We hope that our cheerleaders consider the gym their second home, where they are nurtured and encouraged to compete at their highest ability. Through discipline of practice and positive role models we expect our athletes to set high goals of purpose. Our staff and coaches create a fun and supportive learning environment to meet these goals.

## At DC We Believe

- Teams compete better when all team members are respectful and responsible.
- Teams need coaches who support and lead them through positive practices.
- Teams are not individuals but a family unit that supports and encourages each member to reach their fullest potential.
- Cheerleading at DC teaches not only skills but life lessons.

# Sign-Up Information

**NO TRYOUTS ARE NEEDED. Everyone makes the team.** This allows any athlete to participate in the sport of cheerleading. While this level is introductory, it will give athletes and parents an idea of what cheerleading is all about. The age groups will range from 5–14 years old. The goal of recreational teams is for beginners to learn a 1:30 cheerleading routine followed by a 1:00 chant similar to sideline cheer. It is more affordable than elite and prep competitive cheer and is a great place to start for beginners interested in cheer. This season will last only a half year with practices once a week on Mondays @ 6:15 plus they will get a tumbling class of their choice.
